

How to find Guildford and Godalming Croquet Club

The croquet club is located within the grounds of Guildford Rugby Club (marked GRC on the map). The entrance is almost opposite a Citroën garage on the A3100 between Guildford and Godalming.

After entering the grounds of the Rugby Club, turn right. Then go straight on through the tall gates and drive to the far end of the concrete road. The croquet lawns will be seen over to the left as you drive in.

Please park on the strip of grass on the right hand side of the road.
